President's Message

Another year has come and gone and after surviving the long, cold winter, it's nice to be back preparing for the upcoming Almonte Fair.

Plans are taking shape nicely with the addition of a few new attractions along with our traditional events. Each year I look forward to hearing new ideas brought forward by both our members and the community on how we can make an already enjoyable event even better.

We will be continuing the demonstration area in the main hall that was introduced last year, featuring both educational and entertainment sessions. We had a lot of positive feedback on this feature and I encourage you to stop by to enjoy it for yourself.

Down at the barns, we will have our education building in full operation again this year. It's a great chance to get close to some familiar and not so familiar farm animals and to learn about our local agricultural industry. While you're there, stop and take in our livestock shows. Here you can see how much work goes into showing animals and how much pride farmers have in their livestock.

As always, we have our beer tent with some great entertainment, Conklin's Midway; a variety of concessions; and new this year are the Shriner's Clowns.

I think the grandstand shows will be at their best again this year with a new and improved Demolition Derby on Friday; Carroll Baker on Saturday; and our annual Heavy Horse Show on Sunday. Overall, I think 2009's fair will be another memorable and enjoyable one for the whole family!

Finally, I would like to thank our board for all of their help, co-operation and hard work. It is because of these volunteers that our fair has been such an ongoing success in the past and will continue in the future. These volunteers have made my job a very enjoyable one over the last year and a half, and for that I want to thank them.

I invite everyone to the 151st Annual Almonte Fair. Hope to see you there!!

Yours Sincerely,
Adam Cochran,
President

Homecraft President's Message

Hi Everyone! First and foremost, I would like to extend my sincere thanks to all our volunteers, sponsors and directors for their support and hard work in preparing the main hall and grounds to celebrate our 150th anniversary. It was a great success!

As we start our 151st year, our theme "Bee Happy" will keep the Homecraft division buzzing with anticipation to see all our exhibitors entering their crafts, hobbies and crops in the different sections. Come one and all and fill our hall to showcase the many talents within in the Almonte community and surrounding areas. Your work will catch the interest of many. Family, friends and neighbours will be in awe of the talent.

To all who come to the fair, you'll enjoy the mid-way, main hall, livestock shows, vendors, demolition derby and many more fun sights and events. If you are interested in giving an hour or a few of your time, come and join a great group of people who keep the fair buzzing! Without the volunteers there would not be an Almonte fair. So bring your ideas and enthusiasm and join our team!

No matter what, come and have fun and enjoy the sights and sounds of the 2009 Almonte Fair.

We hope to see you there!
Bring your "honey" to the fair!!

Yours Sincerely,
Betty Renaud,
Homecraft President

Carroll Baker

SATURDAY, JULY 18, 2009, 7:30pm

After a very impressive recording career that spanned some four decades, the Almonte Fair is very lucky to be a stop on her farewell "Thanks for the Memories" tour.

It's hard to believe when Canada's Country Sweetheart, Carroll Baker, claims, "I never liked country music when I was a kid." She explains that when growing up as the youngest of six children in the tiny fishing community of Port Medway, Nova Scotia, "...country music was all I would hear. Everyone in the family was so involved in it, I just couldn't appreciate it." Fortunately for her legions of fans, Carroll rediscovered the power of country after having moved to Ontario. "I heard a country song on the radio and it would remind me of home. I was homesick." Carroll feels that, "you grow out of rock and roll, but country music grows with you... it has a special quality about it" and "country music tells a story. It's like one big soap opera!"

At age 19, Carroll made her professional singing debut at the prompting of her husband, John Beaulieu, who persuaded her to join a local bar band on stage in Oakville, Ontario. The band was impressed and offered her a job but fired her three weeks later when they decided that she wasn't progressing.

Her career might have ended there had not a radio station asked her to join one of its programs and had not George Petralia, an Oshawa sculptor heard her. He persuaded her to travel to Thunder Bay to record a song he had written called Mem'ries of Home. After much hard work flogging the record to radio stations and fans in local bars, the song eventually made the Canadian country charts and stayed there an impressive 26 weeks.

With her first television appearance at the 1976 Juno Awards, where she sang her Conway Twitty hit, "I've never been this far before", she stopped the show and brought TV and recording executives out of their seats and knocking at her door.

With her clear, powerful voice, her earthly energy, unsophisticated appeal and ever-present warmth, Carroll Baker has gone on to become Canada's undisputed queen of country music. She has three Juno awards and an armful of big country awards, including Big Country's first Entertainer of the Year award (1978). She was named Female Vocalist of the Year at the first annual Academy of Country Music Entertainment Awards(which replace The Big Country Awards). Carroll is also proud of her two platinum and one gold LP and five gold singles.

1983 saw her total record sales top the million mark, which is a major achievement for a country artist in Canada. Her current album is titled "A Step in the Right Direction".

Privacy Act

The following quote is from the Privacy Commissioner of Canada regarding the new Privacy Act which was implemented January 1, 2003:

The fact sheet issued by the Privacy Commissioner of Canada points out that the presence of commercial activity is the most important consideration for nonprofits. However, fundraising is not a commercial activity, nor is collecting membership fees, organizing club activities, compiling a list of members' names and addresses, or mailing out newsletters. While the act of asking for donations is not subject to the Act, charities and nonprofits are still required to seek appropriate consent if selling, bartering, or leasing lists. These are considered to be commercial activities.

SEE SPECIAL RULES GOVERNING EACH CLASS IN PRIZE LIST.
6. To be eligible for competition, whether singly or in groups (except where otherwise specified), all animals and articles exhibited must be the bonafide property of the exhibitor and all exhibits entered for competition must be owned by the exhibitor for at least 15 days at time of making entry.
The right is reserved to reject or eliminate any entry or exhibit. Entries for purebred livestock will be accepted only on the understanding that the animals are registered with the recognized breeding association in the name of the exhibitor by the date of closing entries. Each exhibitor must have on hand, at the time of the exhibition, the certificates of registration for each purebred animal entered. These certificates and the animals entered may be examined for identification purposes by the members of the committee.
 7. All applications for entries must be made on the printed forms supplied by the Society, filled in with all the information asked for and signed by the intending exhibitor. If names and addresses are not complete, prize money will not be mailed. Entries of purebred livestock must give registered name, number, and date of birth, except in the cases of animals under one year of age; in such cases the name and number of the Sire and Dam must be given, and the name and number of the Sire must be given in all cases of Grade Animals.
 8. THE BOARD OF DIRECTORS REQUESTS THAT ALL LIVESTOCK EXHIBITORS SEND PROOF OF LIABILITY INSURANCE FOR ALL SHOW ANIMALS WITH YOUR ENTRY FORMS. THIS PROOF MAY BE A PHOTOCOPY OF YOUR POLICY OR A LETTER FROM YOUR INSURANCE COMPANY. WE REQUEST YOUR COOPERATION IN THIS MATTER.
 9. For DAIRY and BEEF cattle - bulls must have rings in their noses or be otherwise properly secured to prevent accidents. All animals must be shown in the ring as required by the Directors and Judges. Also, animals must be shown in parade; otherwise money will not be paid. Owners or attendants must be prepared to bring animals into the ring when called for, or forfeit claim to any premiums awarded to them.
 10. ALL HEAVY HORSE and LIGHT HORSE exhibitors must provide a 2009 NEGATIVE COGGINS TEST together with the entry forms.
 11. All grain, roots, fruits, vegetables and dairy products must be grown, raised or manufactured by the exhibitor during the current year and must be received under the same conditions as in Rule No. 6.
 12. No exhibit may be removed from the Hall or Grounds during the Fair, except on written orders of the President or the Chairperson of the Committee in charge.

13. No prize ribbons or cards may be displayed in connection with exhibits before judging is done.
14. No animal will be allowed to compete for more than a single premium, except for specials, stake classes and team classes.
15. Every exhibit entered for competition must remain in the class in which it is entered throughout the Fair, except where otherwise provided for in the Prize List.
16. No person shall act as Judge for awarding premiums in the class in which he/she is a competitor.
17. No horse shall receive a premium which the Judge considers to be possessed of hereditary unsoundness.
18. Any person who shall impose or attempt to impose by false representation, or in any other way, in order to obtain a premium or any other advantage, upon complaint being made before the Directors or a quorum thereof, and fully substantiated, shall be deprived of all prizes awarded to him, her or them, at the exhibition, and any prize money reverts to the Society.
19. Any person who shall attempt to interfere with the Judges, while in the discharge of their duties, or use any contemptuous or abusive language to any Judge, in consequence of any award made by him, shall forfeit his or her right to any premium to which he/she might otherwise be entitled, and Judges are requested to report any such instances.
20. Exhibitors may be required by the Directors to make a statutory declaration that the articles exhibited by them are exhibited in accordance with the Rules & Regulations of the Society, and in case any exhibitor refuses to make such a declaration on being requested, all premiums awarded to him, her or them, shall be forfeited.
21. Protests must be made in writing and must give definitely and concisely the grounds of protest. All protests must be made before 6:00 p.m. the day the award was made, after which no protest will, on any account, be received. Any party making a protest must deposit with the Treasurer the sum of \$5.00 as a guarantee of good faith, which will be returned to him/her upon his/her proving the protest; otherwise it will be retained by the Society. The Directors will decide in all such cases, and their decision shall be final.
22. In addition to the stated premiums offered for articles enumerated in the Prize List, the Judge shall have power to award discretionary premiums for such animals or articles not enumerated, as they may consider worthy. The Judges may also distinguish such animals or articles as they consider worthy of notice, but which have not received prizes, with the words "Commended or Highly Commended" but shall not entitle the owner to any money premium.
23. Firms and co-partnerships entering exhibits for competition must be in existence for one month at time of making entry and, in all cases, must be bonafide. Affidavits of age of firms may be required by the committee.
24. The Society will take every possible precaution under the circumstances to ensure the safety of articles sent to the exhibition, yet they wish it to be "Distinctly Understood" that the owners themselves must take the risk of exhibiting them, and should any article be lost or stolen, the Directors will give all the assistance in their power toward recovering same, but will not make any payment for the value thereof.
25. Each exhibitor will be solely responsible for any loss, injury or damage occasioned by or arising from any animal or article exhibited by him/her, and shall indemnify the Society.
26. The Society will not be liable for any loss to an exhibitor occasioned by fire, accident, condition of structure or otherwise, or the negligence of other exhibitors or officials of the Society.
27. In the absence of any competition in any section or if the stock or article exhibited be of an inferior quality, the Judge or Judges will award only such premiums as they consider the stock or articles merit. They will exercise their discretion as to whether they will award the 1st, 2nd, or any premium.

It is not lawful to carry on horse racing during the days appointed for the holding of the annual exhibition of the Society, within FIVE MILES of the Society's Grounds (See SECTION 24 of the ACT RELATING TO AGRICULTURAL SOCIETIES).

29. The Board of Directors reserves the right to interpret any rule or regulation and their decision shall be final.

30. Should any dispute or question arise not provided for in the Rules & Regulations, the decision of the Board of Directors shall be final.

White Bread

Dry Ingredients: Mix well.

2 cups oriental white rice flour

1 cup gluten-free flour mix

1-1/2 tbsp clear gel (4-1/2 tsp)

1/4 cup sugar

3-1/2 tsp xanthan gum

1-1/2 tsp salt

1 cup non-fat dry milk powder

2-1/2 tsp active dry yeast

(Note: clear gel is pharmaceutical grade methylcellulose.

Unflavoured gelatin may be substituted)

Wet Ingredients:

1 tsp apple cider vinegar

2 large eggs

*1-1/2 cups warm water (110-120 degrees)

1/4 cup corn oil

Preparation:

(* - note: add 1 to 3 tablespoons additional water, mixing well between additions, for softer texture bread. Amount needed depends on humidity and room temperature.

Grease a 9" x 5" loaf pan. Mix all dry ingredients well, including yeast.

Blend eggs into warm water using a fork or whisk. Pour water/egg mixture into dry ingredients and mix on slowest speed of mixer until flour is moistened. Add oil and increase speed of mixer, blending all ingredients until you have a smooth creamy batter. Mix two minutes.

Add more water for a “creamier” batter if desired. Pour into loaf pan and allow to rise in warm place to top of pan. Preheat oven to 350 degrees. Bake on center rack for 50 to 60 minutes until brown. Cool in pan for 3 to 5 minutes; then remove bread from pan and place on rack to finish cooling.

When completely cool, slice and store in an airtight container lined with paper towels. Refrigerate within 48 hours. Keeps 7 to 10 days.

Carrot Spice Cookies

Ingredients:

1 cup packed brown sugar
1/2 cup margarine, softened
1 cup shredded carrots
1 cup raisins
1/2 cup unsweetened applesauce
1 large egg
2 tbsp molasses
1 tsp. vanilla
2-1/2 cups rice flour
1-1/2 tsp allspice
1/2 tsp. baking powder

Preparation:

Cream sugar and margarine in large bowl. Add carrots, raisins, egg, applesauce, molasses and vanilla. Mix well.

In a large bowl combine rice flour, allspice and baking powder.

Slowly stir flour mixture into other ingredients and mix until well blended. Drop by teaspoonful, 2 inches apart, on lightly greased cookie sheet. Bake in 350 degree F oven 10 to 12 minutes or until cookies are set and lightly browned. Remove from baking sheet while still warm. Cool on wire rack. Makes 4 dozen.

Apple Cake

Ingredients:

3/4 cup rice flour
1/4 cup tapioca flour
1/2 cup potato starch (**not** potato flour)
1 tsp baking soda
3/4 tsp xanthan gum
1 tsp. cinnamon

1-1/2 tsp baking powder
2 tsp vanilla
1/2 cup butter
3/4 cup white sugar
3 tbsp brown sugar
2 eggs
3 tbsp milk
1-1/2 cups apples, peeled, cored and shredded (about 2 apples)
Icing sugar for dusting - optional.

Preparation:

Preheat oven to 350 degrees F. Grease either a 9” round springform pan or 8” square cake pan, and dust with rice flour. In a medium bowl, whisk together the flour mix, xanthan gum, baking soda, baking powder and cinnamon. Set aside.

In a large bowl, cream the butter for about 1 minutes or until softened. Add both sugars to butter and beat for about 2 minutes. Add the eggs, one at a time, and beat until well incorporated. Blend in the milk. Mix on low and add the dry ingredients half at a time, blending after each addition, until they are well absorbed. Gently fold in the shredded apples. Spoon the batter into the prepared pan and bake for 40-45 minutes, or until toothpick tests clean and cake pulls away from edge of pan. Cool at least 10 minutes before removing from pan.

PART II:

1) The provisions of this part apply to entries of a breed regulated by a breed association which has adopted this part.

2) No exhibitor and no agent, employee or other person acting on behalf of an exhibitor, shall have in his or her possession or control:

(a) any hypodermic syringe, needle or other device;

(b) swabs, cloths or other material, or

(c) any medicine, preparation or substances; whether in liquid or any other form intended for use in contravention of the Code of Ethics.

3) In addition to the requirements of the General Rules & Regulations, all entries and the personal property of all exhibitors, their servants and agents and persons acting on behalf of the exhibitors, are subject to inspection at all times by inspectors authorized by the General Manager. All such persons shall co-operate with the inspectors and shall provide all such information in connection with inspections, and shall provide, if so requested, samples of urine and blood suitable for analysis. They shall also remove any udder supports, blankets or other objects limiting the ability of the inspector to undertake a thorough inspection of the animals. In particular, the inspectors shall be informed of the nature of any medicine, treatment or substance administered to any entry and the reasons therefore. Inspections under this paragraph may be carried out at any time while the animal is at the show and elsewhere in the period ending 30 days after the termination of the show between the hours of 6:00 a.m. and 8:00 p.m.

4) Any inspector may at any time require the delivery to him of any hypodermic syringe, needle or other device, swabs, cloths or other material; or samples of any medicine, preparation or substance whether in liquid or other form in the possession or control of the exhibitor, his servants, agents, or persons acting on behalf of the exhibitor, for the purposes of laboratory analysis.

5) (a) Subject to the provisions of sub-paragraph (b), the following entries are disqualified and shall not participate further in the Fair in which an entry is disqualified:

(1) Any animal determined by an inspector (who is also a veterinarian) to have any udder manifesting any of the following: localized swelling, oedema, erythema, sensitivity, reddening, firmness, warmth or exfoliation of the skin, but excluding general oedema associated with parturition or mastitis, or a sore in the area where the large blood vessels enter the udder.

(2) Any animal entered by an exhibitor who, or whose servants, agents or servants, persons acting on behalf of the exhibitor, fails to co-operate in the inspections provided for under paragraphs 3 or 4.

(b) The inspector's determination pursuant to sub-paragraph (a) (1) is subject to an appeal by the exhibitor to the appeal committee appointed by the show for the purpose. Any such appeal must be made by notice in writing delivered to the show management within one hour of notification of the inspector's determination.

6) No entry shall be removed from the Fair buildings prior to being exhibited, for any purpose, except upon the express permission of the General Manager and under supervision while absent from permission shall be disqualified.

PART III:

All exhibitors and their filters, agents or other representatives agree to abide by the following procedures:

- 1) Exhibitors, agents, employees or other person acting on behalf of an exhibitor, shall deliver to an inspector upon request any hypodermic syringe, needle or other device, swabs, cloths or other material, or samples of any medicine, preparation or substance, whether in liquid or other form, for the purposes of laboratory analysis.
- 2) All entries and personal property of the exhibitors, their servants and agents and persons acting on behalf of exhibitors, are subject to inspection by inspectors authorized by a show. All such persons shall co-operate with the inspectors and shall provide all such information in connection with such inspections and shall provide access to the animal and all information reasonably required by inspectors in connection with such inspections and shall provide, if so requested, samples of urine, milk, blood, or any other body fluids suitable for analysis.
- 3) Exhibitors shall remove any udder supports, blankets or other objects limiting the ability of the inspector to undertake a thorough inspection.
- 4) The exhibitor agrees to act at all times in accordance with the Rules and Regulations for Showing and the Standard procedures, and will accept any final decision made thereunder. In keeping with the basic philosophy of the Canadian Dairy Breeds, ethics are an individual responsibility. However it should be understood that violators are subject to the disciplinary provisions of their Breed Association's Rules & Regulations.

In Memory

NLAS fondly remembers those who have left us this past year, but live on in the traditions of our fair...

**Dale "Scoon" Scott
Bill Halpenny**

The North Riding of Lanark Agricultural Society has been in existence as a distinct society since 1858 when it was separated from the Lanark and Renfrew Society which held their show in the town of Carleton Place,

On the 22nd day of January, 1858 a meeting of the inhabitants of the North riding of Lanark was held in the town hall on the eighth line of Ramsay when the. North Lanark Agricultural Society was instituted and Mr. John Menzies, the registrar for the riding was elected president.

On September 21 of the same year the first annual exhibition was held and from that time until the present without a break, the society has been in continuous existence and has grown from a small unpretentious affair till it has become one of the foremost county fairs of the province, thanks to the energy, enterprise and wisdom of the directors .and Officers whom have stood so loyally by the society through all the years.

It was not until 1862 that it was decided to purchase a piece of ground for the purpose of having a permanent site for a show ground. The committee, J. C, Gemmill, R. McFarlane, J. Wallace, L. Naismith and the president John Menzies selected the site now occupied by the present society and for which they paid \$300.00. In 1865 a hall was erected for which they received a county grant but in 1868 the roof of this building collapsed with the weight of snow consequently at the January meeting in 1869 a contract was given Mr. Eagan to construct the present hall at a cost of \$1,100. This fine building which still serves to good purpose is used chiefly for displaying ladies fancy work domestic science products, grain, vegetables, also the wares of the town merchants. Here too might be found light refreshments.

By degrees the various buildings were added: the capacious grandstand, 1868; and then the horse stables and closed sheds for cattle, sheep, swine and poultry.

2008 Sponsors
