Amurpior 14 Dec: 76

Sir, I received yours of 13<sup>th</sup> Nov. containing  
\$6. <sup>00</sup>/<sub>100</sub> the half of which I paid to Jas. Fraser  
as requested by you - I have been since that  
waiting for the balance of the amount I won  
in prize \$3 <sup>00</sup>/<sub>100</sub> and am surprized that you  
have made no mention of the expenses I in-  
curred in attending the Exhibition - All respectable  
Associations that I am aware of decline to ask  
Judges to come from a distance at their own ex-  
pense

yours truly  
E. W. Beaven
